

NUCLEUS INTERNATIONAL SCHOOL

LIBRARY FORM

Dear Parents,

Our goal here at Nucleus International School is to provide a quality collection of library materials for our student's access daily. We hope to encourage the development and continued love of reading and an appreciation of books.

Students will visit the library on a regular basis with their classrooms and during recess and lunch. Our Librarian welcomes students who wish to do their homework, research a project, or read for pleasure. During their visits, students are permitted to check out 1 or 2 books (depending on their class) which can be read at school or at home.

Funds for the purchase of new library books is extremely limited, so if a student loses or damages a book, their parents will be expected to pay the replacement cost of the book which can range from Rs.100 – Rs.500.

We need your help in making sure of the following:

- Library books are handled carefully.
- Please have a safe place for library books in your home.
- Library books are returned to the school library on time.
